Before Setup

- Choose a flat, clean, open setup area with enough clearance around the slide.
- Remove toys, sticks, sharp objects, rocks, tools, furniture, and anything that could damage the inflatable.
- Keep the slide away from fences, trees, stairs, pools, fire pits, grills, vehicles, and overhead lines.
- Confirm a safe power source is available for the blower and keep the cord away from walking paths where possible.

Setup Steps

- Unroll and position the Climb N' Race slide so both slide lanes and the climbing entrance are clear.
- Attach the blower tube securely and make sure all zipper vents are closed before inflation.
- Turn on the blower and allow the inflatable to fully rise before anyone enters.
- Anchor the inflatable at all required anchor points before play starts.
- Check that the entrance, climbing wall, slide lanes, and landing area are properly inflated and clear.

During Use

- Adult supervision is required at all times.
- Use as a dry slide only unless Sofie's Castle confirms otherwise in writing.
- Limit use to 2 to 3 kids sliding or climbing at one time, with a maximum of 4 to 5 kids on the inflatable.
- No shoes, food, drinks, gum, sharp objects, rough play, flips, climbing on walls, or sitting at the top of the slide.
- Stop use immediately for high wind, rain, lightning, unsafe ground, power issues, or any visible damage.

After Use

- Make sure all children are off the inflatable before turning off the blower.
- Remove loose items from the slide area and keep the unit clear for pickup or takedown.
- Report any damage, power issues, setup concerns, or safety incidents to Sofie's Castle right away.

Reminder: This guide supports setup and supervision. The rental agreement, liability waiver, booking confirmation, and any direct Sofie's Castle instructions still apply.
